

Every **innovation**
starts somewhere

UNIVERSITY OF WARWICK
SCIENCE PARK

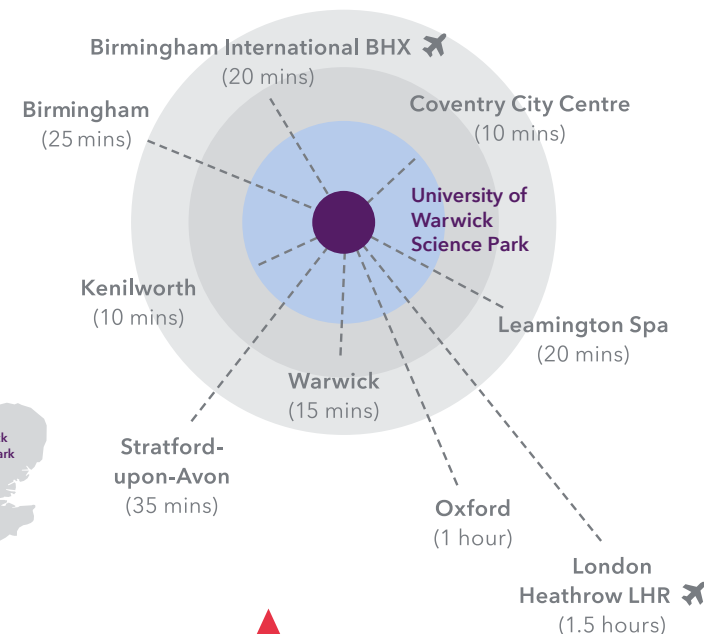

Every innovation starts somewhere

Welcome to one of
Europe's **premier** University
linked Science Parks

The Science Park provides attractive space, in a well-equipped environment for tech-based businesses to grow in an excellent location, with the added bonus of a direct relationship with one of the country's top universities.

A premier **location** in the heart of the country...

The Science Park is located on the edge of Coventry in the heart of the West Midlands. With excellent motorway connectivity, Coventry railway station is 10 minutes away and Birmingham International Airport just 20 minutes.

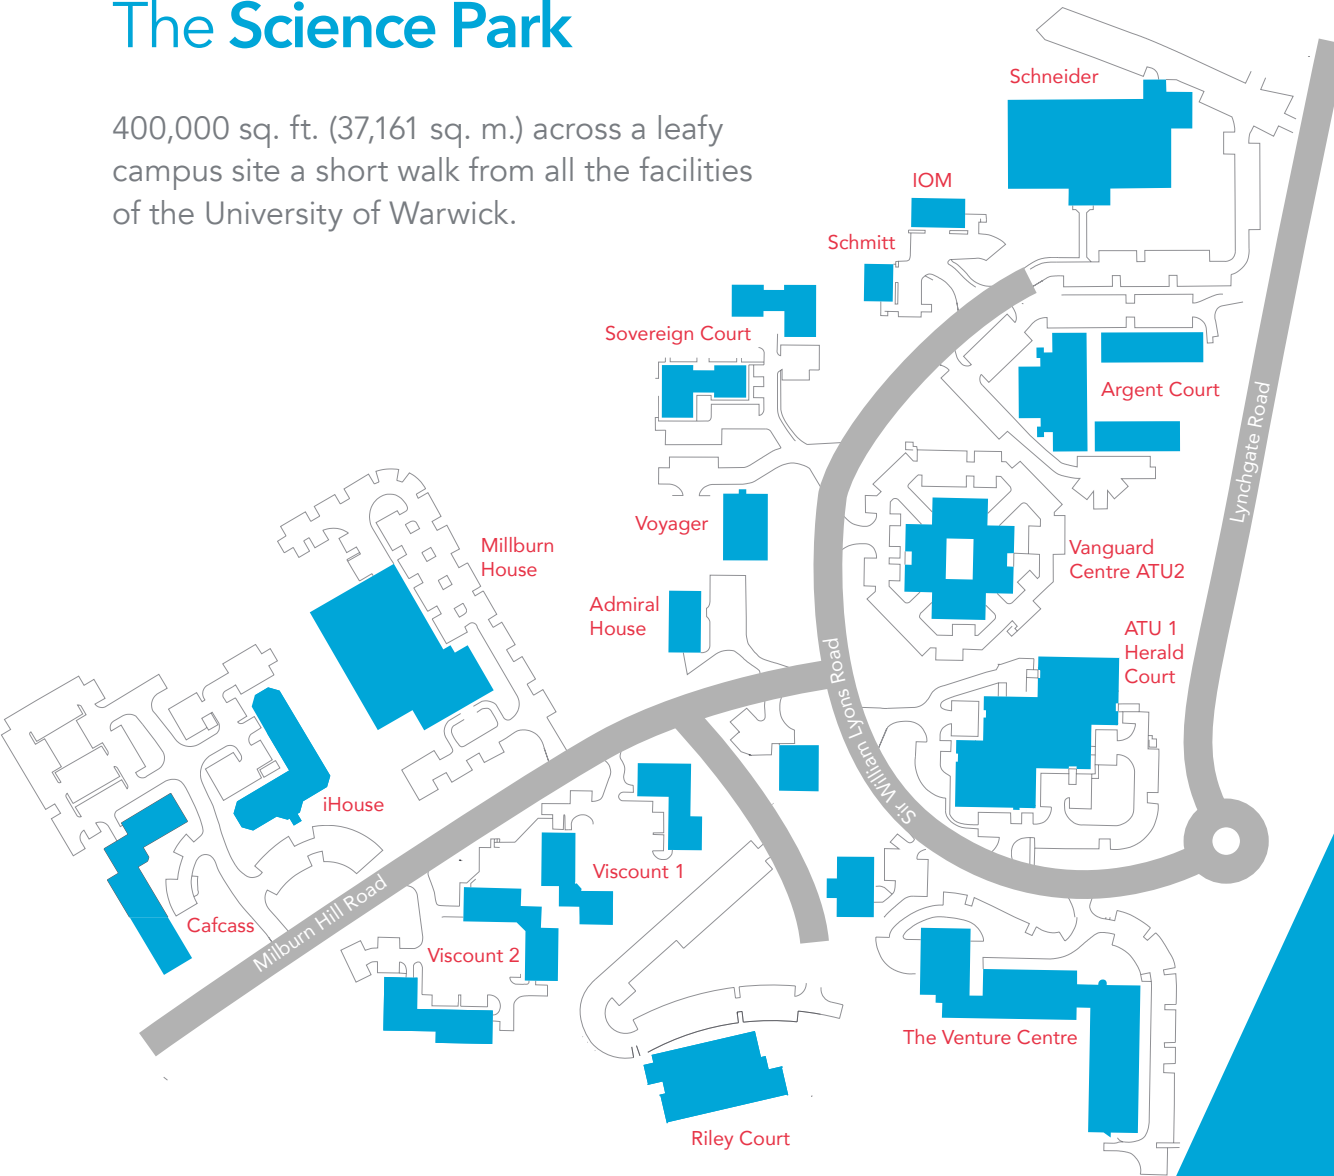

Coventry to
London
59 mins

The Science Park

400,000 sq. ft. (37,161 sq. m.) across a leafy campus site a short walk from all the facilities of the University of Warwick.

UNIVERSITY OF WARWICK
SCIENCE PARK

Off-site amenities

The Science Park is located adjacent to Cannon Park Shopping Centre and Coventry City Centre is only ten minutes away offering extensive facilities, a water park, Belgrade Theatre, museums and art galleries.

Warwick is a leading university, forward-looking and ambitious

The University of Warwick consistently performs strongly in the UK league tables ranked 9th in 2018*, and is proud to be among the top 20 'Most International' universities in the world.**

The University is respected for boundary-breaking research and for teaching and business collaborations – the pursuit of excellence and intellectual curiosity is tireless. Striving to lead rather than follow, they are renowned for entrepreneurialism and cosmopolitan outlook.
