

Geeka Media Group Ltd.

Full Time Video Editor Job Vacancy

Salary: £22,000 per annum

Summary

I am looking for a motivated and talented Video Editor, with an interest in technology, to work with me from my Coventry office premises full-time, producing high quality content for YouTube and other social media channels. The chosen candidate will work at the heart of social media, editing videos for the technology-oriented YouTube channel 'GeekaWhat' from start to finish, as well as curating content for Twitter, Facebook & Instagram. The chosen candidate will also shape future content, and work on new content ideas and implementation.

(Due to the hands-on, production nature of this role, the job will be office based full-time, from day 1.)

What You'll Be Doing...

- **Joining Geeka Media Group Ltd. as the first full time employee, working directly with business founder & channel host James Cousins to create online content 5 days a week**
- **Editing videos from start to finish using the Adobe Creative Cloud Suite**
- **Shooting additional A-Roll & B-Roll clips for videos**
- **Integrating branded partnerships and sponsorships in to videos**
- **Contributing design and filming ideas for future content, continually iterating video segments and features**
- **Working with multiple 4K camera angles per video**
- **Producing multiple YouTube videos each week to a professional standard under stringent timelines**
- **Breaking down completed video edits to create 'micro-content' for delivery to Instagram & Twitter**
- **Genuine opportunity to work in a fun, creative and fast-paced environment**

Required Skills & Must Haves

- **High level of proficiency in Adobe Creative Cloud (primarily Premiere Pro & After Effects)**

- **Experience in camera operation/videography (DSLR level or above)**
- **Ability to transfer skills to other video projects/shoots outside usual daily scope**
 - Includes new social media channels inside and outside the technology space
 - Corporate video production work
- **An understanding of the current social media environment and importance of Instagram, Twitter & YouTube in the present digital landscape**
- **Proficiency in Microsoft Office (Powerpoint & Word) or Google Suite (Slides & Docs)**
- **Very high attention to detail**
- **Great time management and ability to work in a fast paced environment**
- **Exceptional communication skills in order to coordinate in a timely manner with internal and external project stakeholders**
- **Strong portfolio demonstrating pre-existing skills**
- **Flexibility to travel to on-location or out-of-hours video shoots and industry events around the UK. (May also include abroad travel, expenses covered.)**
- **Office-based role 5 days per week**

Nice to Haves

- **Experience in photography**
- **Some on-set/freelance experience.**
- **Full driving licence and access to own vehicle**
- **High proficiency in Adobe After Effects in the creation of motion graphics**
- **Understanding of/passionate about PC hardware (specifically PC building and computer components)**
- **Degree in Media Production, TV Production or related area (prior full-time industry employment not necessarily required).**

Benefits

- **Free on-site car parking**
- **Smart casual dress code**
- **Attractive working hours: 8:00am - 4:30pm**
- **Modern office environment**
- **23 days holiday, plus bank holidays (of which 3 days must be taken between Christmas and New Year). Increasing to 25 days after 1 years service.**

To apply please send a **portfolio, cover letter & CV** to james@geekawhat.com, with the subject line 'Video Editor Application'.
